

Let's Come Together To End Child Poverty

One Nose at a Time

Comic Relief US's Red Nose Day is a campaign with the mission to end child poverty by funding programs that keep children *safe, healthy, educated and empowered*.

Through the power of entertainment and engagement, Comic Relief US creates awareness, drives participation, and raises money to support programs and organizations that address the U.N. Sustainable Development Goals (SDGs). We amplify our collective impact through a range of partnerships, campaigns and grants.

By creating a movement, accessible to all, fueled by hope and positivity, we believe we can help create a just world, free from poverty, and full of opportunity.

Since 2015 we have raised more than \$240 million, positively impacting over 25 million children in America and in over 30 countries.

Over 42 million meals for hungry children in America

Educational support to over 2.1 million children

Life-saving vaccines to over 11 million children

Care for over 130,000 homeless children
